Faculty, graduate students and feminist teachers (K-12) go to www.msintheclassroom.com and sign up for your complimentary digital access to the entire Ms. Classroom website. Within minutes, you'll receive a welcome email with login credentials. Get started exploring our **NEW ALL-ACCESS Ms. library and teaching resources**, including:

Ms. Central Library

Explore 50 years of Ms. reporting & rebelling on the frontlines of the issues of the day. The library holds the ever growing digital collection of Ms. magazines, 2009 - present. PLUS, two Best of Ms. issues provide an engaging compilation of the most iconic articles dating back to 1972. The library is organized by a dazzling display of Ms. covers that capture key moments in the feminist and social justice movements for the past half a century.

Ms. Article Index

Our continually updated [Article Index by topic](#) can guide you to the most relevant articles for your classes – you can even copy and paste the citations directly onto your syllabus!

Ms. Resources

We are thrilled to introduce the [NEW Ms. Resource Guide: Reproductive Health, Rights and Justice in the Post-Roe Era](#), introduced by Loretta J. Ross and Carrie N. Baker. It is a curated collection of some of the most important Ms. articles about the key struggles, setbacks and gains over the past fifty years and the fight ahead, including:

- ***Beyond Roe: The Fight for Our Future***
In spite of the Supreme Court's devastating decision to overturn *Roe v. Wade*, feminists will continue to forge ahead. In this series, reproductive rights experts describe the policy and legal paths forward. (Summer 2022)
- ***Roe v. Wade, 1973 - 2022***
In a decision with implications far beyond abortion, the U.S. Supreme Court wipes out 49 years of precedent. (Summer 2022)
- ***Abortion Is Essential to Democracy***
Despite the fact that a majority of Americans support *Roe v. Wade*, the Supreme Court is poised to overturn the landmark decision. In this Ms. collaboration with the Brennan

Center for Justice, the organization's experts explain how we got here – and offer some ways forward (Winter 2022)

- ***The Urgency for Reproductive Freedom: From Slavery to the New Jim Crow***
“When states coerce and force women, girls and people with the capacity for pregnancy to remain pregnant against their will, they create human chattel and incubators of them.”
(Summer 2022)
- **Never Again –Death, Politics and Abortion** (1973/Spring 2002)
